2025-2026 PORTFOLIO

Welcome to Vintage Wine Co.

Based in Melbourne, we are proud to be one of Victoria's leading distributors of premium wines and locally crafted ciders. Since 2008, we've been independently owned and operated, led by General Manager Todd Lichti. Todd, along with Operations Manager Domestic Krisdianne Shimmin and Operations Manager International Nick Dodds, guides a passionate team dedicated to delivering exceptional service. We pride ourselves on our diverse portfolio of fine wines, including exclusive imports and local gems, many of which have earned top accolades from the world's most respected wine critics. Over half of the Australian wineries we represent are regularly rated among the Best Wineries of the Regions and receive prestigious five star ratings in James Halliday's Wine Companion. This year, we're thrilled to introduce several exciting new producers to our portfolio. EKIN Wine Co. was born from the grassroots passion of two vineyard veterans, Brad and Mark, wine people first, business people by necessity. What began as a favour for mates during the 2021 vintage quickly evolved into a label built on camaraderie, hustle, and a deep respect for the vineyards they help bring to life. Paper Mâché brings a creative, small batch approach to winemaking, producing expressive, modern wines with regional flair. Edmond They is a historic French producer with roots dating back to the late 1800s, known for elegant sparkling wines crafted using traditional methods. Their Blanc de Blancs is fresh and refined, showing delicate bubbles, notes of peach and apricot, and a soft, rounded palate that makes it a true crowd pleaser. We've also welcomed several new releases, including Lake Breeze Pecorino, alongside the return of many long time favourites. Each addition brings fresh energy and exceptional quality to our growing collection. At Vintage Wine Co, we go beyond supplying premium products. We offer personalised support to help your business thrive, from building profitable wine lists and promotional materials to hosting engaging winemaker events.

**BATTLE
of
BOSWORTH**
MCLAREN VALE

Taking its name from the historic Battle of Bosworth, fought on Bosworth Field in England in 1485, Battle of Bosworth winery carries a rich legacy. The Bosworth family's connection to McLaren Vale began in the 1850s, with their first vineyard planted in the region. In 1995, Joch Bosworth took over the family's 77-hectare vineyard, transforming it into one of McLaren Vale's first certified organic vineyards. The winery, established in 2001 by Joch and Louise Hemsley-Smith, embodies a dedication to organic farming and the production of wines that reflect the purity and character of their region.

Joch's commitment to organic principles began with an increasing sense of discomfort about using synthetic chemicals on his soils. The benign Mediterranean climate of McLaren Vale is well suited to old fashioned organic farming techniques. Battle of Bosworth produces balanced, single vineyard wines with power and elegance that best express the qualities and characteristics of the site, in a wine style that we, and hopefully others, enjoy drinking.

BELLBRAE Estate

"Best Wineries of the Region + 5 Black Stars"
Halliday Wine Companion '21, '23

Nestled on a picturesque stretch of rolling hills, just five minutes from the world-famous Bells Beach, Bellbrae Estate Winery boasts a rich history and a scenic location. The Geelong region was first planted with grapevines 150 years ago by Swiss settlers, but the area's wine industry was devastated by Phylloxera in the 1870s. More recently, Bellbrae Estate took advantage of the region's wonderful climate and enticing north-facing slopes, planting the first vineyards here in over a century. With founder Richard MacDougall's Swiss heritage, the winery brings the story of the region's viticulture full circle.

WINEMAKER & VITICULTURALIST

Simon Steele joined Bellbrae Estate in January 2024, following nine successful years as Head Winemaker at Medhurst in the Yarra Valley. Prior to that, Simon served as Senior Winemaker at Brokenwood in the Hunter Valley and Winemaker at Shadowfax, focusing on Geelong and the Macedon Ranges. His experience includes numerous vintages in Burgundy, Spain and McLaren Vale.

Simon brings energy and dedication to farming Bellbrae Estate's 7 hectares more sustainably, incorporating biological farming practices, reducing chemical inputs and eliminating insecticides. Under his stewardship, the vineyards are cultivated to enhance their natural strengths and reflect the unique terroir.

The Bellbrae range thrives on north-facing slopes of calcareous marl over limestone. Moderate fertility and the dry, windy site provide ideal conditions for producing wines of remarkable detail, poise and power. Naturally low yields ensure the wines have the structure to age gracefully under Simon's attentive care.

• Aerial view of the Bellbrae Estate vineyard.

SURF COAST

The Surf Coast subregion enjoys a maritime influence, reducing the risk of spring frosts and providing even temperatures during ripening. These conditions are ideal for crafting elegant wines that retain their natural acidity. Bellbrae Estate honours its local heritage, naming its premium wines after the iconic surf breaks of the area.

COONAWARRA, SOUTH AUSTRALIA / EST. 1950

BRAND'S LAIRA
COONAWARRA

Brand's Laira is an iconic winery, nestled in the heart of the famed 'terra rossa' strip of Coonawarra, South Australia. Steeped in heritage with a wealth of old vine vineyards dating back to 1893, Brand's Laira offers a range of opulent and richly flavoured premium wines. Established by Eric Brand in 1950, Eric originally worked as a 'blocker' selling grapes until 1966 when they produced their first vintage under the Brand's Laira label. Now under the Casella Family Brands umbrella, the wines are made by up and coming winemaker Brooke Blair.

"Top Wineries of Australia"

Huon Hooke, The Real Review '21, '22

"Best Wineries of the Regions" + "5 red stars"

Halliday Wine Companion '21

With a winemaking philosophy that focuses on sourcing the best fruit possible, the Brand's Laira wines are classically Coonawarra in nature, combining the powerful influence of the rich red soils of the 'terra rossa', with skilled winemaking to create world renowned wines. Each range of Brand's Laira wine exhibits a shared standard of excellence and a distinctly Coonawarra style. Casella Family Brands is now the proud custodian of this iconic Australian winery, and are dedicated to its long-term commitment to producing world class wines.

• Terra Rossa soil profile, red clay rich in iron oxide over limestone

1893

Captain Henry Stentiford purchased a block of land right in the heart of Coonawarra, today famous for its rich terra rossa soil. Captain Henry Stentiford became integral to the region's history as custodian of some of its founding vines – vines that still produce wine today.

1950

Eric Brand (a baker by trade) and his wife Nancy Redman acquired the same 24-hectare property with just over 2 hectares of Shiraz.

For the next 16 years, Eric worked as a 'Blocker' – a term used for Coonawarra landholders who sold their grapes to other wineries in the region.

1966

When armed with an antique basket press, a must pump, 4 concrete fermenters, and blessed by the best Coonawarra weather of the decade, Eric produced his very first vintage under the Brand's Laira name.

2019

The Coonawarra Cellar Door had a state of the art refurbishment. A large, expansive interior now welcomes guests to the cellar door, with a striking ceiling that shelters and preserves the legendary Eric's Shed (the original Cellar Door).

LANGHORNE CREEK, SOUTH AUSTRALIA / EST. 2006

Greg Follett of Lake Breeze Wines created Bull Ant, a delightful range of approachable, drink-now wines, crafted using fruit from the Follett family vineyard. Greg and his family have been growing grapes on this site in Langhorne Creek for 130 years. The playful label was inspired by the bull ants that are known to pester vineyard workers. Langhorne Creek is celebrated for its full-bodied red wines and well-balanced, fruit-driven Chardonnay. The Bull Ant range consistently over-delivers, showcasing vibrant fruit flavours, palate richness, and exceptional value.

v ● 2023 Shiraz	12.09	12 pk	91pts HWC

LANGHORNE CREEK

The region benefits from a cool maritime climate, allowing long slow ripening and intensely flavoured fruit. A minimal intervention approach is taken with all of the wines, with most receiving no filtration or fining at all. With the small amount of fining undertaken, they have a commitment to avoid using any animal-based fining agents. All wines produced by Lake Breeze, including the Bull Ant label, are vegan friendly.

• The Bull Ant & Lake Breeze flooded vineyards

2021 Cabernet Merlot - 91 points + Special Value

"This was grown on vines with an average age of 20 years. It's strong with eucalyptus scent and flavour, which is a good match for both the core of blackcurrant and the gentle overlay of creamy vanilla. It's one of those wines that tries neither too hard nor too little; it simply cruises along in the most pleasant, non-taxing of ways."

Campbell Mattinson, Halliday Wine Companion

SOUTH EASTERN AUSTRALIA / EST. 2013

	\$ LUC	PACK	NOTES
v ● NV Darley 'The Foal' Sparkling Brut	12.30	6 pk	

Like only the best thoroughbred families, we believe that the Darley Sparkling will stand the test of time. The Darley Arabian (pictured on the front label), purchased by Thomas Darley in Aleppo, Syria, and shipped back to England, began stud duties in 1704. Ninety-five percent of all thoroughbred racehorses today can be traced back to this one stallion. The vineyards and winemakers sourced for Darley Sparkling fulfil the expectations their pedigree suggests.

Darley 'The Foal' Sparkling Brut. This is a non-vintage sparkling, created to maintain flavour consistency from year to year. It is crisp and fresh with hints of citrus and pear, finishing with a lovely, balanced acidity. A perfect aperitif style, showcasing an immediately appealing freshness of fruit and a crisp mouthfeel.

EDEN HALL WINES

ESTATE GROWN • FAMILY OWNED

"Top Wineries of Australia"

Huon Hooke, The Real Review, '20, '21, '22, '24

Eden Hall is a boutique winery owned by David and Mardi Hall, nestled in the picturesque Eden Valley. With 33 hectares under vine, the winery combines exceptional viticulture with a commitment to environmental stewardship.

Eden Hall embraces sustainability through a variety of innovative practices and initiatives, earning numerous awards for their efforts in vineyard regeneration and ecological harmony. Recognised as industry leaders in sustainability and environmental best practices, they continue to set benchmarks for responsible winemaking.

ENVIRONMENTAL SUSTAINABILITY

Eden Hall Viticulturalist and 4th generation Barossa grower, Dan Falkenberg, has taken initiative to be on the front foot for long-term sustainable production. They operate off grid thanks to a vast solar array and battery setup, employ innovative land management practices, building soil health and reduce water use by applying straw mulch undervine. They make their own compost on site; have established native perennial grasses in the vineyard mid-rows to enhance biodiversity and provide habitat for beneficial predatory insects. Sheep, rather than tractors are used to mow the vineyard during winter and spring saving emissions and soil compaction.

NEW WINERY TO PORTFOLIO!

EKIN Wine Co. was born from the grassroots passion of two vineyard veterans, Brad and Mark—wine people first, business people by necessity. In the thick of the 2021 vintage, they found themselves harvesting far beyond expectations, with high-quality fruit at risk of being left to waste. Refusing to let good grapes go unused, the duo sprang into action. What began as a favour for mates turned into something bigger: a wine label forged from camaraderie, hustle, and deep respect for the vineyards they help bring to life. EKIN is a tribute to mateship, ingenuity, and the kind of hands-on experience you can't buy.

EKIN

Their approach to wine is refreshingly real—rooted in practical knowledge, honest work, and a genuine love of the land. Rather than being driven by boardrooms or branding agencies, EKIN is fuelled by early mornings, dirty boots, and the satisfaction of helping fellow growers thrive. Brad and Mark have built EKIN on the foundations of community and connection, proving that when you combine decades of vineyard know-how with a bit of entrepreneurial spark, you can create something truly special. Every bottle they produce is a reminder of the harvest that started it all—and the mates who made it happen.

2023 Pinot Noir

"Medium depth of ruby with a tinge of purple in the rim; attractive, spicy, smoky, sappy bouquet with charcuterie and dried meats, then a wave of firm and drying tannin sweeps in, the tannins quite grippy and faintly bitter, but there is plenty of flavour to balance them and the wine would be right at home with some roast duck."

Huon Hooke, The Real Review

SAUVIGNON BLANC

The nose evokes fresh green leaves, cut grass, and snap peas, leading into white peach and passionfruit. The palate shows a struck-flint dryness with persistent, moreish acidity.

PINOT GRIS

Pears dominate the nose, evolving into notes of flaky pastry, almond meal, and a touch of white pepper spice. The palate is dry, crisp, and effortlessly quaffable, with yellow quince aromatics. Hand-picked and gently whole-bunch pressed, the drink of the summer!

CHARDONNAY

Aromas of cashew, stone fruit, lemon rind, honeydew melon, and white pepper. The palate shows a savoury, saline character with linear acidity, Granny Smith apple, and rockmelon. Clone: Mendoza & I10V1. Hand-picked from 25-year-old vines. Wild ferment with 10% new oak, matured 10 months on lees with bâtonnage, and partial malolactic fermentation.

HELEN'S HILL

SINGLE VINEYARD YARRA VALLEY

"Runner-up Winery of the Year 2022" + "5 red stars"

Halliday Wine Companion 2015-2025

Helen's Hill celebrates passion, persistence and the genuine connection between people and the land. Each wine is hand-crafted, undergoing an arduous selection process before making it into the bottle. Believing that great wine begins in the vineyard, Helen's Hill carefully selects only the finest parcels of fruit from specific rows. These parcels are hand-picked and fermented in small batches within French oak barrels. Before bottling, every barrel is meticulously tasted and ranked, with only the best earning a place in the Helen's Hill range.

TERROIR The location of Helen's Hill in Coldstream on the Yarra Valley floor is no coincidence. Founders Allan & Robyn scoured the area for the best site looking for hills, microclimate and the iconic Yarra Valley soil. Made by Scott McCarthy, the Helen's Hill winemaking ethos is simple. A good wine is where everything is in balance, acid, tannin, oak, fruit, sweetness, alcohol. By harvesting the grapes at optimal times and using minimal intervention winemaking these single vineyard wines are able to express their unique terroir.

Ingram Road is an exciting range of wines from Helen's Hill, crafted by winemaker Scott McCarthy. These wines are created using traditional winemaking techniques, featuring premium fruit sourced from select vineyards in the Yarra Valley and Heathcote—renowned regions celebrated for their exceptional terroir.

Small-batch production, open-top fermenters, French oak maturation, wild fermentation, and meticulous handcrafting are hallmarks of the Ingram Road range, ensuring boutique-quality wines in every bottle.

www.helenshill.com.au

YARRA VALLEY

The Yarra Valley was Victoria's first wine growing region with a history spanning 170 years. It is divided into two sub-regions. Valley floor and Upper Yarra. The Valley floor includes Coldstream where the Helen's Hill and Ingram Road vineyards are located. Slightly warmer than its counterpart, vineyards on the valley floor are planted on rolling hills of predominantly sandy clay-loam soils with an elevation ranging between 50 to 80 metres above sea level. Best known for its sparkling wines, Chardonnay, and Pinot Noir, making it the perfect home for Ingram Road.

• Helen's Hill & Ingram Road vineyard in the Coldstream Hills.

BAROSSA VALLEY, SOUTH AUSTRALIA / EST. 1997

'5 Black Stars' + 'Best Wineries of the Region'
Halliday Wine Companion '21 '22 '23

JJ Hahn embodies six generations of Barossa Valley heritage. Maria and Johann Christian Hahn arrived in the Barossa Valley in 1845, part of the wave of Silesian-German settlers who shaped the region. Like many early settlers, they staked out the best farmland, selecting a premium block for their vineyard. The JJ Hahn range celebrates this rich history with premium Barossa reds that reflect the region's exceptional terroir and winemaking traditions. Crafted with care and precision, these wines honour the Hahn family's enduring legacy.

Huon Hook, The Real Review '21, '22

2021 'Western Ridge 1975' Shiraz - 95 points + Special Value
"Rolf Binder knows Western Ridge fruit well. I did a vintage with him in 2015 and spent my time looking after the red ferments and avoiding the massive brown snake in the marc pile. Here, Rolf serves up a rich, broody rendition of that Western Ridge fruit, savoury in stature and flecked with hints of ironstone, spice and earth. There is a lovely texture supported by chocolatey tannins and plenty of latent horsepower beneath the dark-fruited surface. Some excellent cellaring potential here."

Dave Bookes, Halliday Wine Companion

• Thomas White Winemaker

1914 Early settlers to the Barossa were able to stake out the best of the valley's farmland and the Hahns also seized the opportunity.

1970 The property was fully planted with vines. Grape growing became the Hahn family way of life and six generations later, James and Jackie Hahn continued that legacy, living and working on the land originally purchased by Christian Hahn.

1997 The Hahns decided to produce their own range of red wines and teamed up with Barossa winemaker, Rolf Binder for the winemaking. The JJ Hahn label was born.

2010 The Hahns retired from the business and Rolf Binder retained co-ownership of the brand, winemaking and vineyard management.

2023 Rolf has handed over the reins to Thomas White (who has made the wines since 2021) to run the business with Rolf overseeing the vintage winemaking and blending of the wines.

The Kay Brothers vineyards grace the rolling foothills of the Southern Mount Lofty Ranges in South Australia. Established in 1890 by Australian-born brothers Herbert and Frederick Kay, the heritage-listed winery celebrated its first grape crush in 1895 and remains the oldest McLaren Vale winery still in founding family hands. Today, the Kay family continues their winemaking traditions in the historic cellars. Third-generation Colin Kay retired in 2014, passing the reins to his daughter, Elspeth. Colin, however, still enjoys tasting and observing how Duncan Kennedy is shaping the family's iconic wines.

BLOCK 6 SHIRAZ

Planted in 1892, Block 6 Shiraz is a cornerstone of Kay Brothers' legacy, producing full-bodied wines with the grace to age for decades. The 1.5-hectare vineyard thrives on diverse soils—red loam, heavy clay, and gravelly alluvium—underpinned by the complex "South Maslin Sands" geology. Its vines are cane-pruned and carefully maintained to suit the vineyard's natural undulations and east-facing aspect.

To preserve these venerable vines, the team employs Layering, a technique where new vines are grown from neighbouring "mother vines" via an "umbilical cord," which naturally decays over time. Winter brings the art of hand-pruning each vine to its unique growth habits, while spring shoot thinning ensures concentrated fruit. Every grape is hand-picked to protect the fragile, century-old vines.

Fermented in the original open-top fermenters, Block 6 Shiraz showcases deep complexity, vibrant intensity, and a timeless connection to Kay Brothers' rich winemaking heritage.

• 132 year old Block 6 Shiraz vineyard.

MCLAREN VALE, SOUTH AUSTRALIA / EST. 1890

As custodian of these magnificent vines, Duncan's approach has been to allow more of the fruit characters to shine by changing the oak ratio from American to French and favouring larger formats to lessen the oak impact, while not losing sight of why these wines are adored the world over.

• 3rd generation Kay Brother Colin, tasting wine from barrel with Duncan.

CELESTIN COQ & CIE BASKET PRESS

Installed in 1928 vintage to replace older hydraulic and manual screw presses that were unreliable. For winemaker Duncan, it is still the preferred of their two presses. The basket press reflects Kay Brothers traditional winemaking philosophy. The grapes are pressed gently, resulting in softer tannins and cleaner juice – as the juice is filtered through the mass of pulp while draining through the basket. Whilst this process is labour intensive and time consuming, Kay Brothers are confident it translates to superior quality.

• Celestin Coq & Cie Basket Press in use since 1928

Halliday Wine Companion 2026

"Bushing King Wine of Show" + "Best Single Vineyard Viticulturalist"

McLaren Vale Wine Show 2017

2022 Hillside Shiraz 95 points + Special Value

"A selection of blocks off the estate, with varying soils; 18 months élevage in American and French oak. This has some classic appeal, with forward fruit and a familiar lick of oak, but there's also such polish and relative transparency to it. The fruit, from a cooler year, has a buoyant, vivid feel, absent heaviness and paired with an elegantly effective structural framework. Blackberry and cherry, freeze-dried raspberry, fine milk chocolate, vanilla, clove and allspice, iron and earth, dried scrubby herbs. This is engaging now, but the structure will see it age well, too" *Marcus Ellis, Halliday*

Wine Companion

2021 Griffon's Key Grenache - 96+ points

"The 2021 Griffon's Key Grenache comes from a wonderful year here in South Australia. The season was well set up from winter rains in 2020, the yields were healthy due to good weather at flowering, and the growing season rolled out with mild conditions and minimal weather events. Disease pressure was low. So here, the wine is fragrant and spicy, with gentle herbal nuances, garden mint, thyme and some sage, perhaps. The palate shows a cavalcade of red fruits and fine tannins. The tannins build through the middle palate and finish, and if one were to be patient, one may be significantly rewarded in the future, as it will be more complex, softer and more harmonious with even a few more years in bottle" *Erin Larkin, Robert Parker Wine Advocate*

LANGHORNE CREEK, SOUTH AUSTRALIA / EST. 1986

LAKE BREEZE
LANGHORNE CREEK

The Follett family have been grape growers in Langhorne Creek for over 130 years and winemakers for 35 years, rapidly building an enviable reputation for consistently producing outstanding wines. Lake Breeze selects only the finest 40% of fruit from the property's older vines, crafting wines with remarkable depth of flavour. All wines produced by Lake Breeze, including the Bull Ant label, are proudly vegan-friendly. At Lake Breeze, a minimal intervention approach is embraced, with most wines undergoing no filtration or fining, allowing the natural qualities of the fruit to shine.

FOURTH GENERATION FOLLETT

As part of the fourth generation to work on the family property, winemaker Greg has notched up 33 vintages and an impressive array of Trophies and awards at Lake Breeze. Most notable including the Max Schubert Trophy, Best Red at the Adelaide Wine Show (twice) and producer of the year at the Langhorne Creek Wine Show on seven occasions. Their most recent achievement was being named the Best Value Winery of the Year in the 2022 Halliday Wine Companion. "The Follett family is privileged to a deep history; the family has been tending its vines on the shores of Lake Alexandrina since the 1880s and picking up hundreds of trophies and gold medals in major wine shows across the country for decades. They are fabulous ambassadors for an oft-neglected region and embody the heart and soul that we all love about Australian winemaking. It's a bonus that their wines also happen to represent some of the best value in the country." *Tony Love and Tyson Stelzer, Halliday Wine Companion 2022*

LAKE BREEZE WINERY

Lake Breeze Winery is nestled on the banks of the Bremer River, surrounded by majestic river red gums and overlooking the sprawling 90-hectare Follett family vineyard. Managed by Tim Follett, the vineyards produce consistently exceptional fruit, which winemaker Greg Follett uses to craft outstanding wines.

FLOODING SYSTEM

The old vines at Lake Breeze are dry-grown, relying on the traditional winter flooding of the Bremer River, which originates from rainfall in the Mount Lofty Ranges. This natural flooding is essential for sustaining the vines through Langhorne Creek's dry summers, where annual rainfall averages just 350mm.

Flooding is managed using a system of floodgates and banks that channel the river's winter flow onto the vineyards. The water saturates the soil over one to two days before being released to neighbouring properties. This process deposits nutrient-rich silt, maintaining soil fertility and enhancing the water-holding capacity of the alluvial silty loam, ensuring the vines thrive without supplementary irrigation.

"Producer of the Year"

Langhorne Creek Wine Show '12, '13, '14, '16, '18, '21

LANGHORNE CREEK CLIMATE

There is a cool maritime climate with a mean January temperature of 19.9°C and 1520 heat degree days. It is significantly cooler than McLaren Vale (21.7°C, 1910 HDD) and the Barossa (21.4°C, 1710 HDD). This is partly due to the "Lake Doctor", a southerly wind coming off Lake Alexandrina at the end of the Murray Darling River system. The wind carries its cooling effect across the lake directly from the Antarctic and the Southern ocean. The influence it has on the climate is dramatic; it moderates summer heat and mitigates winter frosts. Langhorne Creek's fertile soils are predominantly deep, alluvial sandy loams, perfect for enhancing vine vigour and growing high quality red varieties.

2025 Moscato - 95 Points

"I get all giggly when I drink moscato. It's cheery, fun, fruity and floral. It has to be good though. This is made from white frontignac so it's spot on with varietal flavours: lemon verbena, lemon-lime sorbet, lemon barley water, a bit of a citrus theme going on, some fresh mint, too. It's refreshing, cooling and has just the right amount of sweetness – not too much – perfect."

Jane Faulkner, Halliday Wine Companion

CANBERRA DISTRICT + HILLTOPS NSW / EST. 1995

LERIDA ESTATE

"Top Wineries of Australia"

Huon Hooke, The Real Review 2024 & 2025

Nestled at the foot of the Cullerin Range at Lake George, Lerida Estate is dedicated to crafting distinctive, world-class wines that capture the essence of their unique and beautiful site. This is achieved through a combination of cutting-edge vineyard management, meticulous winemaking, the estate's magnificent cool-climate location, and their striking Glenn Murcutt-designed winery. Favouring wild yeast fermentation and naturally ripened bunch tannins, winemaker Jacob Law is producing outstanding New World Pinot Noir and Syrah.

2019 'Cullerin' Syrah

"Deep purple core and youthful brightness in the rim. Blueberry, iodine and violet hints on the nose. Very pretty palate, violets and red berries up high whilst a cured-meat note sits with wood spices underneath. Acidity keeps those high-notes singing long and then a fine swoosh of tannins cleans out and persists long into the finish."

Stuart Knox, The Real Review

• Vintage 2024 Team, including Chief Winemaker Jacob Law (2nd from left)

LAKE GEORGE

Lerida Estate prides itself on excellence in design of both of their wine and winery. The wines are carefully crafted by the winemaker to reflect the Lake George 'terroir'. The wines are now recognised as being among the most stylish not only in the Canberra District, but in Australia and internationally. The winery is designed by the distinguished Australian architect, Glenn Murcutt, and 'sits lightly' on the ethereal Lake George landscape. Lerida Estate produces world class Pinot Noir, made from low yielding vines with elegant, secondary flavours using wild yeast and minimal intervention.

GIPPSLAND

Nestled in the Gippsland Lakes district, Lightfoot Wines are shaped by the region's cool coastal climate. The vineyard sits on a unique ancient limestone ridge with rich Terra Rossa top soil. The site benefits from the proximity of Bass Strait, and a rain shadow cast by the Great Dividing Range. Fruit ripens with less impact from Gippsland's typically high rainfall. The Myrtle Point Vineyard was established with a desire to combine biological farming and traditional winemaking. This approach and their distinctive site has positioned Lightfoot Wines as a standard-bearer for the region, producing wines of character, drinkability, and a distinct Gippsland identity.

• Aerial view of the Myrtle Point Vineyard in Gippsland

"Planting our first vines in 1995 was just the beginning. Over the years, we've transformed the way we approach viticulture. The biggest change? Moving from a traditional mindset to biological farming. It's a shift driven by our commitment to quality and sustainability. Now, it's not just about the fruit—these days it starts with the soil. By using compost, mulch, and natural inputs like fish and seaweed emulsions, we've created a healthier soil ecosystem. This means stronger vines, better resilience, and fruit that truly reflects the land it comes from."

Tom Lightfoot, Viticulturalist & Winemaker

MYRTLE POINT VINEYARD WINES

The core of the Lightfoot wines range. Single Vineyard wines crafted to be approachable and express the unique quality of the fruit grown in the Myrtle Point Vineyard. The wines showcase the cool, coastal climate and a distinctive Gippsland style.

SINGLE BLOCK WINES

These wines are made from the best fruit, selected from the best blocks within the Myrtle Point Vineyard. Only made in the vintages where the quality is high enough. Small batches, picked and vinified as individual parcels. These wines show additional layers of complexity, structure and cellaring potential.

LIMITED RELEASE WINES

Lightfoot's more playful side, and the creative outlet for the winemaking team. Small-batch wines that explore winemaking techniques, experimental blends, ferments and styles. Made in very limited quantities.

LONGBOARD

"Best Wineries of the Region + 5 Black Stars"

Halliday Wine Companion '21 '23

Longboard Wines are produced by Bellbrae Estate Winery which was established in 1999 on a beautiful section of rolling hills, five minutes from world famous Bells Beach, in the Surf Coast region of Victoria. The Longboard range of wines are a true expression of the region. Winemaker Simon Steele sources most of the fruit from the estate vineyard, with the exception being Pinot Gris, which is sourced from a premium grower in Bendigo. The wines are made using old world techniques, wild ferment, time on lees and aging in old French oak but are ready to drink now. They are all bursting with freshness and taste, perfect for the relaxed lifestyle loved on the Surf Coast.

● 2022 Shiraz	17.84	12 pk	

SURF COAST

"The Surf Coast Area of Geelong enjoys a slightly milder climate overall than other of the Geelong viticultural region. Being so close to Bass Strait, Bellbrae Estate experiences a maritime influence that reduces the risk of frost in Spring provides more even temperature ranges in Summer – ideal growing conditions for producing elegant wines that retain their natural acidity" *Halliday Wine Companion, '21*

• Longboard vineyards Surf Coast, Victoria

SAUVIGNON BLANC

Fresh and well balanced, with lemon lime zest and earthy green capsicum on the nose, and a hint of elderflower that carries onto the palate. The palate starts crisp yet softens out with hints of stone fruit and crisp apple.

ROSÉ

Lifted bouquet of strawberries and raspberries float out of the glass. Soft fleshy strawberry fruit flavours with a delicate and light structure. A dash of texture lends a little more generosity filling out and softening the wine

PINOT NOIR

Lifted blackcurrant, cherry and plum notes on the nose and a soft elegant palate that offers black forest fruit characters and fine grained French oak tannins.

SHIRAZ

Medium-bodied, with a lively palate of spiced plums, rich forest fruits and pepper. A dash of French oak compliments the soft, bright fruits.

"Best Wineries of the Region" + "5 Red Stars"

Halliday Wine Companion 2018-2023, '25

With 162 years of history and winemaking tradition, the Morris family of Rutherglen have earned the esteemed position as one of the most prominent winemaking families in Australia. Under the guidance of David Morris the fifth generation Chief Winemaker, the Morris range of fortified and table wines continue to be masterfully crafted with the same skill and passion that has been their hallmark since 1859. The Old Premium Rare range includes some of the oldest vintages of fortified wines in Australia and are heralded as some the greatest fortifieds in the world.

NV Old Premium Rare Topaque - 98 points

"Hand picked, crushed, partial fermentation before draining, pressed, fortified with high strength neutral spirit and then to cask, forming a solera. That colour! Olive to black-burnished walnut with great viscosity. The aroma could inspire Omar Khayyam: concentrated soused raisins, roasted almonds, toffee, mocha, burnt butter and malt. Extraordinary complexity on display and length and yet so fresh. Magical!" *Jeni Port, Halliday Wine Companion*

• Morris winery

NV Old Premium Rare Liqueur Muscat - 100 points

"This has a tsunami of luscious spices, raisins dipped in chocolate, and dried fruit flavours, yet has enhancing freshness, length and a bright finish, rancio in high relief. This Rutherglen muscat has to be given 100 points."

James Halliday, Halliday Wine Companion

MOUNTAVOCA

PYRENEES • VICTORIA • AUSTRALIA

Australia's most highly awarded certified organic winery, right here in Victoria. 50 years of heritage – estate grown, made and bottled. First planted in 1970 by John and Ada Barry with Shiraz and Cabernet, the cool climate Mount Avoca vineyard produces small quantities of wonderful, intensely flavoured fruit that is hand-crafted into extraordinary wines featuring great varietal expression and regional distinction. Made by David Darlow, the estate range is now certified vegan friendly as well as certified organic.

THE REGION

The Pyrenees Wine Region is one of Australia's finest wine regions. Often underrated, the wines are intensely flavoured and carry the hallmarks of individuality and character. The wineries are understated, small and publicity shy, possibly a reason for the region flying under the radar for almost 50 years. Arguably one of Victoria's best kept secrets, the natural beauty of the region is only surpassed by its incredible wines.

THE ORGANIC JOURNEY

In the 1990s, the winery began to use native Australian insects to attack caterpillars and has since made use of other natural pesticides while avoiding fungicides. Becoming a fully certified organic winery was the natural next step. Following a tasting of organic and biodynamic from all over the world, Matthew realised that going organic was a way to ensure that our wines had a vitality and pep that would stand them apart from the majority of wines on the market. So, Mount Avoca took the dirt path less travelled and treated the vineyard like a garden, doggedly pursuing that elusive purity flavour and vivaciousness.

This search for quality led to a completely natural and chemical-free philosophy. The organic certification is really a by-product of growing the best-quality fruit. As Matthew says, 'Our holy grail was always totally amazing wines with a purity of flavour and no chemical residue. The certification was a happy side effect.'

THE PEOPLE

Founded in 1970 by John and Arda Barry, Mount Avoca is now run by Matthew Barry and sons, who are proudly carrying on the family tradition. Winemaker David Darlow has over 20 years of winemaking experience in Europe, the US, New Zealand and across Australia. His background as a fine wine retailer and chef extraordinaire adds the broad brushstrokes to his mastery of detail in all aspects of viticulture and winemaking.

• Vineyards at the foothills of the Pyrenees

PYRENEES, VICTORIA / EST. 1970

• Eco-Luxe Lodge Nestled amongst 600 olive trees in the foothills at Mount Avoca overlooking the picturesque vineyard and Pyrenees Ranges

NV Jack Barry Sparkling Shiraz - 94pts

"Rich aromas of the ripest of cherries, blackberries and dark chocolate set the scene, the palate flooded with a suite of flavours in the same vein, sweet and almost luscious. The drying mouthfeel on the finish provides the necessary balance. This is a very worthy sparkling wine."

James Halliday, Halliday Wine Companion

2021 Estate Tempranillo - 91 Points

"Bright ruby colour sparkles in the glass whilst aromas of just crushed raspberries and their leaves lift with vigour from the glass. The palate carries that same light to medium-bodied red berry fruit, savoury notes lean more to mint and bay leaf whilst fine tannins and a hint of refreshing acidity keep it airy but dry to the finish"

Stuart Knox, The Real Review

CLARE VALLEY, SOUTH AUSTRALIA / EST. 2011

MR.MICK

Mr Mick is named after K.H. (Mr Mick) Knappstein, a legend in the Australian winemaking industry. Mr Mick was Tims Adams' mentor, and Tim his last apprentice. Mr Mick instilled in Tim a passion for the industry which was all about making something somebody else could get enjoyment from much the same as an artist or sculptor. It is from this passion that Mr Mick Wines was born. Tim and wife Pam are now proud custodians of the landmark winery where Tim apprenticed under Mr Mick, and which now proudly bears his name.

CLARE VALLEY

Located in the beautiful Clare Valley, two hours north of Adelaide, the region is lucky to have a beautiful balance of soil nutrition, rainfall and sunshine. This combines to create a a very healthy environment to grow grapes.

Tim and his team continue Mr. Mick's philosophy of making "affordable wines for everyone to enjoy". Tim is working hard with new varieties in Clare to bring them into the market under the Mr Mick range.

"A notable emerging trend nationally is the rising popularity of Clare Valley region, largely driven by Riesling. This indicates a growth opportunity for the state, despite the nation seeking alternatives to other classic local varieties"

"We are well aware of the change in consumer preference and we feel as much a part of the change as a beneficiary of it. In fact we think there is no better positioned wine producing region in Australia to cater for this shift in consumer preference than the Clare Valley"

Tim Adams, Winetitles Media

The Oscar's Folly story is in the name. Growing up surrounded by vines and learning the way of Mother Nature, young Oscar always had a nagging suspicion that he could do this 'wine thing' different. Do it better. His Dad disagreed. "These are the way things have always been done. Why change something that's been working for so many years? It's folly, your head is up in the stars again, son." Oscar stuck to his guns, but took onboard a few things his old man told him; using some old techniques and blending them with some new. Oscar's Folly is the achievement of a boyhood dream. Quality wine with a sustainable edge.

Halliday Wine Companion 2015-2025

PINOT GRIGIO

A true Pinot Grigio. An inviting bouquet of fresh apple and flower petals is complimented perfectly by generous apple and nashii pear fruit characters. This wine is designed for easy drinking and the balance between fruit character and freshness.

CHARDONNAY

Subtle aromas of fresh squeezed lemon and flint. On the palate this wine displays lovely fruit characters, lemon and white peach. Lively acidity and the characteristic struck match found in Chardonnay from the cooler Yarra Valley Floor climate also play a part to provide ample stucture and length to what is a decidedly fun and vibrant Chardonnay.

PINOT NOIR

Bright, light red hue with a fragrant strawberry and fresh red berry aroma. The palate is fresh, bright and textural, lively, zesty, loaded with flavour and vigor. Sweetness to start is finished off with a crisp, crunchy bitterness. This is a Pinot Noir of great balance and length.

• Fruit for Oscar's Folly is sourced from the beautiful Helen's Hill Vineyards in the Yarra Valley

The name Paper Mache embodies the brand's philosophy of creating 'art' by blending ideas, materials, and collaboration. The wines of Paper Mache are crafted from a diverse range of vineyards, regions, and opportunities across South Australia. Some are limited releases, often the result of fortunate finds such as exceptional bulk wines or clean-skins, produced by highly skilled winemakers and close collaborators. Others are made from grapes sourced from carefully selected vineyards across various regions.

	\$ LUC	PACK	NOTES
● 2024 Sauvignon Blanc	10.97	12 pk	
● 2024 Chardonnay	10.97	12 pk	
● 2024 Rosé	10.97	12 pk	
● 2023 Light Red	10.97	12 pk	
● 2022 Shiraz	10.97	12 pk	

PAPER MACHE

Much like the art of papier-mâché, which transforms humble materials into something unique, Paper Mache wines evolve in appearance, texture, and character through the use of natural resources. Each wine reflects the creativity, craftsmanship, and collective effort behind its creation.

SAUVIGNON BLANC

While the Riverland is not typically associated with Sauvignon Blanc, a careful understanding of how to preserve its green, grassy characters (methoxyprazine) makes it possible to craft a wine that reflects a cooler climate. Methoxyprazine levels decrease as fruit ripens or when temperatures rise within the canopy, so for the 2024 Paper Mache Sauvignon Blanc, the grapes were harvested early at lower sugar levels, before heat could affect the fruit's fresh character. Light in colour and shows a balance of grassy and tropical flavours. The palate is clean, balanced with a nice acid zing.

LIGHT RED

This unique blend of Tempranillo, Shiraz, and Black Muscat, all sourced from the Riverland, combines familiar elements with a rare twist. While Tempranillo and Shiraz are often found in light red blends, the inclusion of Black Muscat imparts distinctive floral aromas that elevate the wine's fragrance. Fermented in stainless steel to preserve freshness, the goal was to create a zippy, versatile wine that can be enjoyed chilled. The result is a light cherry-coloured wine with negromi and cola aromatics. The absence of harsh tannins allow this wine to be enjoyed at both room and chilled temperature.

SHIRAZ

This blend of Wrattenbully and Riverland Shiraz showcases the distinct expressions of Shiraz from each region. Wrattenbully contributes concentrated, dense flavours, while the Riverland adds confectionary and spice notes, creating a perfect balance between the two. Aromas of white pepper and chocolate. On the palate, it is rich, powerful, and well-balanced, offering impressive length and depth.

"Top 52 Wineries of Australia"

Huon Hooke, The Real Review '21, '22

VSV 1893 Shiraz 2021- 95 points

"The VSV series, short for very special vineyard, shines a light on Lehmann's relationships with its growers. Anyone that has seen the famous photos of Peter Lehmann at the weighbridge carousing with his growers will know that this has been going on for many years. This year it is the Mulraney family, the current custodians of the Schulz vineyard, planted 1893 in Moppa. Packed with plum and red forest fruits, layered spice, earth, roasting meats, violets and dark chocolate. It comes across as lighter, more detailed than most northern wines. Old vines weaving their magic, with dense tannins and latent power."

Dave Brookes, Halliday Wine Companion

"Top Wineries of Australia"

Huon Hooke, The Real Review 2018 – 2025

2017 Wigan Riesling - 96 points + Special Value

"Another Peter Lehmann wine we can safely store in the 'regional classic' section of our noggins. Pale straw with notes of Bickford's lime cordial, citrus blossom, marzipan, pressed flowers, ozone, crushed stone, dried grass and fennel gratin. Complex, savoury and long of finish with a crystalline seam of acidity providing cadence and cut. It possesses a real shimmering quality and a harmony of flavour across its entire length. It's special drinking."

Dave Brookes, Halliday Wine Companion

THE PETER LEHMANN STORY

The late 1970s were difficult times for the Barossa wine grape growing community as the region was hit with a severe grape surplus. Companies refused to buy grapes and honour contracts, and Peter Lehmann knew this would destroy the livelihoods of the 140 family growers.

In a courageous bid to support his community of growers, Peter took out a loan, assembled equipment and built a small winery to process their grapes. The winery was called Masterson of the Barossa, in a nod to the famous gambler, Skye Masterson from the musical, Guys and Dolls.

The wine from the first vintage in 1980 was called 'The Futures' in a nod to the commitment Peter made to paying the growers once he had sold the wine. This arrangement was sealed with a handshake and Peter's word was his bond. True to his promise, when the money started coming in Peter made sure to pay his growers first.

Led by Peter, the Barossa community pulled together during the tough times, not just to make great wine but to preserve the future of the land and the Barossa region. Today these longstanding relationships with the same community of family growers gives the Peter Lehmann winemakers unrivalled access to the very best grapes across the length and breadth of the Barossa.

Although Peter is no longer with us, his legend lives on through Peter Lehmann Wines.

RIVERLAND, SOUTH AUSTRALIA / EST. 2003

Ricca Terra High Noon Skin Contact White Blend 2024 94 points + Special Value

"An interesting blend here in trebbiano, grenache blanc and greco. This is the inaugural release of this wine and Ricca Terra's nod to 'natural' practices in the winery. In this example, it means natural yeasts and acids. Bottled unfiltered, it's got a glorious skinsy haze – the wine sees 30 days on skins – in the glass and is pale lemon verbena in colour. First swills stir up lemon zest, grapefruit and bitter lime. Some quietly complex pistachio shell nuttiness and comté rind to follow. Undoubtedly refreshing with its tropical cordial thirst-quenching drinkability and invigorating appeal. More please." *Katrina Butler, Halliday Wine Companion*

Winner: Innovative Vineyard of the Year
'The Groundbreaker'

Young Gun of Wine '21

Trophy - Most Successful Riverland Exhibitor

Riverland Wine Show 2023

Ricca Terra Bullets Before Cannonballs 2023 95 points + Special Value

"Tempranillo, lambrusco, shiraz, lagrein. Ricca Terra craft wines that feel quite alive in the glass, perhaps due to their deep agricultural understanding and farming practices. I could be romanticising, but this wine is a living thing. Soft leather, aniseed rings, fresh fig and dry earth. Dark chocolate and blood plum. The tannins have a lateral extension within, beyond the spine of the drink, leaf vein-like. For its close-to-earth rusticity, it certainly polishes up and carries an elegant composition further endorsed by impeccable balance." *Katrina Butler, Halliday Wine Companion*

Winner: Outstanding Viticulturist,
Ashley Ratcliff, Ricca Terra Farms – SA

Harvey Norman/Delicious Magazine Produce Awards 2022

"Best Wineries of the Region + 5 Black Stars"

Halliday Wine Companion 2020–2021

RICCA TERRA = RICH EARTH

The vision to evolve a traditionally planted vineyard into one that could adapt to extreme climatic changes goes beyond grape variety selection. The adoption of drought tolerant rootstocks, water saving mulches and new viticultural techniques and technology allow Ricca Terra to grow grapes and make premium wine with minimal inputs and a limited environmental footprint. Today, Ricca Terra's spread of vineyards is in excess of 70Ha. They have over 30 different varieties planted and are one of the largest producers of climate adaptive grape varieties in South Australia.

Ashley Ratcliff has always been passionate about the wine industry. His vision to create a sustainable future for Ricca Terra has resulted in him winning many accolades including Innovative Vineyard of the Year (Young Guns of Wine) Gourmet Traveller Viticulturist of the Year, Riverland Winemaker of the Year & Best Wineries of the Region by James Halliday.

The 'Soldier's Land' range is a project close to Ashley's heart. These wines are made from vineyards established during the Soldiers Settlement Scheme post WW1 & WW2. He has saved these ancient vines and donated a portion of proceeds from the sale of these wines to the RSL.

"We're challenging the norm in a region known for bulk production. And we are showing that the Riverland is a premium winegrowing region." – Ashley Ratcliff

SPRINGS ROAD

Kangaroo Island

"5 Black Stars"

Halliday Wine Companion 2026

Springs Road is a vineyard and winery on Kangaroo Island just off the coast of South Australia. Springs Road runs east to west across the northern part of KI with the vineyard established in 1994 on a small sheep farm about 7km west of Kingscote. In 2016 Joch Bosworth and Louise Hemsley-Smith from McLaren Vale's organic Battle of Bosworth wines purchased the vineyards, opening a cellar door and releasing their first KI wines under the Springs Road label at the end of 2018. The wines are hand-made and estate grown. The Springs Road label is adapted from Louis Freycinet's 1808 map of Southern Australia 'Terre Napoleon'.

KANGAROO ISLAND Is one of the five regions that make up the Fleurieu Zone and was officially registered as a wine region by Geographic Indication in the year 2000. It is a cool-climate region with regular maritime breezes playing an important role in moderating the ample sunshine and allowing for a long, cool ripening season. The vineyard is on a special site in a very special place. It has a unique combination of relatively low rainfall, low soil fertility and a moderate maritime climate which results in low yielding vines producing highly coloured and intensely flavoured wines.

• Springs Road cellar door stands sentinel on the top of a hill at the end of a long driveway off the Playford Highway

LITTLE ISLAND FIZZ

A bright fresh sparkling red with a hint of aniseed on the nose, cherry cola and a fine bead. The palate has a lovely complexity borne of the slightly older components of Cabernet and Shiraz which form the basis of this wine.

CHARDONNAY

This 2024 Chardonnay is fermented in barrel and is a delicious full-bodied (but not buttery) Chardonnay showing cashew and white stone fruit on the nose and palate, with a hint of nougat too. A super balanced wine with lovely oak, acid, fruit and length.

LITTLE ISLAND RED

'little island red' is a bright, fresh lightly oaked Shiraz showing red fruits (raspberry, cherry, black cherry) and dark fruits, along with black pepper and an overall pretty floral character. Bright, fresh, medium-weight, fine and with a great length.

Halliday Wine Companion 2026

Spring Seed Wines are made from organic grapes grown in the Bosworth's family's vineyard, located in the premium wine region of McLaren Vale, South Australia. First planted in the early 1970s by Peter and Anthea Bosworth, the vineyards are now run by their son Joch and his partner Louise Hemsley-Smith, who began the conversion to organic viticulture in 1995. The vineyards are certified by Australian Certified Organic (ACO P/L) and all of the wines are proudly vegan friendly.

SPRING SEED WINE LABELS

are unashamedly inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are quite remarkable. Joch and Louise chose three different flower images to adorn each one of their McLaren Vale wines, simply because they are quite lovely. Spring Seed Wines are single vineyard wines that best express the unique characteristics of our foothills site, in a fresh, balanced style which appeals to wine lovers everywhere. Traditional vinification and natural minimal processing, combined with organic viticulture helps us capture the purity, integrity and flavour of our vineyard in the Spring Seed Wines.

PHIL LEHMANN Youngest son of the late, great Peter Lehmann, makes the wines for SDWCo just down the road at Moppa Vintners. With an upbringing steeped in Barossa wine, Phil ventured out gaining a wealth of experience making wine all over the world before coming back his iconic home turf. Phil is passionate about making great wine while respecting the land, achieving the right balance with attention to sustainability and climate.

2024 Riesling - 93 Points + Special Value

"Pale in the glass with a green flash and aromas of Bick-fords cordial, freshly squeezed lime, green apple sorbet, Christmas lily, orange blossom, crushed stone and almond paste. These aromas transpose neatly over on the palate, which shows fine focus and just a tug of texture, finishing with excellent velocity and a keen, dry stoniness."

Dave Brooks, Holiday Wine Companion

• SDWCo team: Graeme Thredgold, Dan Falkenberg and Phil Lehman

The fruit for Stage Door Wine Co. is sourced predominantly from the family-owned vineyard in the Eden Valley, established in 1996 with plantings of Riesling, Shiraz, and Cabernet Sauvignon. Further additions of Grüner Veltliner in 2014 were followed by the inclusion of several hand-selected, super-premium Barossa Valley vineyards. Sustainability is at the core of the vineyards and winery. The family vineyard was recognised in the Young Gun of Wine "Top 50 Vineyards of Australia" in both 2020 and 2021, before being awarded the prestigious title of Australian Vineyard of the Year in 2021.

The vineyard is managed by 2018 Barossa "Viticulturist of the Year" Dan Falkenberg, a fourth-generation grape grower and respected leader in his field. Winemaking is overseen by Phil Lehmann, a highly regarded Barossa name, finalist in the 2017 Gourmet Traveller "Winemaker of the Year" awards, and a regular judge on the Australian wine show circuit.

CLARE VALLEY, SOUTH AUSTRALIA / EST. 1985

Tim Adams

CLARE VALLEY

Owner and winemaker, Tim Adams, began his career in the wine industry as a cellarhand at the Stanley Wine Company in 1975, steadily working his way through the ranks to become winemaker in 1981 following graduation. The first inclination to leave came in 1985, when Tim and his wife were approached by local cooper Bill Wray to form a partnership of the two families to make wine and small oak casks. The first wines under the Adams & Wray label were released in September 1986. 2025 marked Tim's 50th Vintage.

/brands/tim-adams/

TIM ADAMS' began during a grape shortage in 1986, relying on 10 tonnes of Shiraz from a neighbour to release its first wine under the Adams and Wray label. Following the dissolution of the partnership in 1987, the winery was renamed Tim Adams Wines, coinciding with the purchase of its Warenda Road site in Clare and the arrival of Tim's daughter, Frances. By 1988, the cellar door was opened, and the first grapes were crushed on-site, marking the start of decades of growth, evolution, and commitment to sustainability and the Australian wine community. Tim Adams, raised in Clare Valley, began his career in 1975 under the mentorship of the renowned Mick Knappstein at the Stanley Wine Company, eventually releasing his first wines under his own label in 1986. Their relationship, with Mr Mick as Tim's last apprentice, continued until his passing in 1997, leaving a legacy of passion, hard work, and dedication that defines the progressive family winery today.

• Tim, Pam and their beloved Labradoodles in the vineyard

• The iconic Aberfeldy Shiraz – available giftboxed & in Magnums

ABERFELDY SHIRAZ

The Aberfeldy Shiraz is the flagship wine of Tim Adams Wines and has long been synonymous with quality, often referred to as "Clare Valley's Grange." Crafted from century-old, low-yielding Shiraz vines in the warmer eastern reaches of Clare Valley, it exemplifies elegance, intensity, and the region's terroir. This iconic Australian Shiraz delivers a rich palate of dark fruits, chocolate, and spice, with velvety tannins and exceptional structure, making it ideal for long-term cellaring. Consistently earning Gold medals at the International Wine Challenge and maintaining a Langton's Classification, the Aberfeldy Shiraz represents the pinnacle of Clare Valley winemaking and the unwavering dedication of Tim Adams Wines to producing world-class wines.

SINGLE VINEYARD

Each wine in the Single Vineyard collection is a lens into the diverse and distinctive sub-regions of Clare Valley. By focusing on individual sites, the range captures the subtle interplay of soil, slope, climate, and vine age. These factors shape aroma, texture, and flavour in profound ways. These wines are not blended to homogenise a style; rather, they are celebrated for their singularity. It's a vineyard-first approach that speaks directly to wine lovers seeking authenticity, origin, and a tangible connection to place.

CLARE VALLEY has a history rich in wine with the first vineyards planted in the early 1840's. Located inland, 2 hours north of Adelaide, the long warm summer days are moderated by cooling afternoon breezes. This creates a large diurnal range perfect for ripening Riesling and Shiraz with full flavour while also retaining fresh acidity. Eleven soil types including Polish Hill's broken slate and Watervales limestone sub-soils have made this region highly regarded for producing outstanding Riesling. Young Clare Riesling shows fresh citrus fruits and apple with great depth of flavour and natural acidity. They also age beautifully, developing nutty, toasty and honey notes. To showcase aged Riesling the Tim Adams range includes a 2019 museum release.

2021 Ladera Tempranillo- 93 Points

"The vines for this wine were planted in 2004 and are dry grown. This delivers the goods. Scents of ripe cherry, cola, cranberry, dark chocolate, salted licorice. The palate leans into sarsaparilla, fennel, rosemary herbal lift and a bit of dark chocolate. Texture is informed by quite a bit of concentration and richness, feels quite juicy but a sheath of dusty tannin does a good job of compacting things. Nicely played."

Mike Bennie, Halliday Wine Companion

MCLAREN VALE

As an expression of a maritime climate, on our own little slice of heaven, our beloved McLaren Vale grape factory produces Shiraz with a signature milk chocolate core – their wonky take on decadent and lush.

LANGHORNE CREEK

Have you noticed Langhorne Creek being spoken of as one of the most underrated of South Australia's wine making regions, fertile soils, ample access to water, great weather and expansive flat plains are ideal for producing reliably delicious wines.

FLEURIEU PENINSULA

This GI extends from Kangaroo Island in the west as far north as Flagstaff Hill on the west side of the Mount Lofty Ranges and to as far south as Langhorne Creek on the east side of the Mount Lofty Ranges.

ADELAIDE HILLS

The cool climate and high altitude of this region make it well suited to growing crisp white wines and the diva that is Pinot Noir.

BAROSSA

Zonte's only wine from this famous region is the Baron Von Nemesis Shiraz. Cool and intelligent, Germanic-heritage abounds.

MCLAREN VALE, FLEURIEU, BAROSSA, LANGHORNE CREEK, ADELAIDE HILLS, SOUTH AUSTRALIA / EST. 2003

ZONTE'S FOOTSTEPS NAME

On 15 August 2003, Zonte's Footstep vintaged its first wines and, as is tradition in the wine industry, looked to history—and prehistory—for its name. In 1893, a vineyard was planted with Zante currants to produce table grapes for Adelaide's growing population. By the 1920s, the vineyard was replanted with wine-producing varieties of Shiraz and Cabernet Sauvignon, which were eventually used to craft Zonte's first wine. As a tribute to the vineyard's journey (and due to naming regulations that prevent referencing grape varieties not in the wine), the "A" in Zante was changed to an "O," creating Zonte's. In 1999, a group of wine industry mates purchased the vineyard, planting Viognier, Sangiovese, and other exciting grape varieties to experiment with. While replanting, large boulders with fossilised footprints of the Diprotodon, the largest known marsupial, were discovered. This unique fossilised footprint cemented the name and symbolised the journey Zonte's Footstep continues today.

2023 Baron Von Nemesis Shiraz - 94 points

"Richly ripe and perfumed, the bouquet shows blackberry, raspberry, violet, warm spice, and stylish oak characters. The palate delivers succulent fruit intensity with spicy nuances, beautifully framed by a silky texture and finely integrated tannins, finishing splendidly long and flavourful. At its best:

now to 2037."

Sam Kim, Wine Orbit

2023 Violet Beauregard Malbec - 95 Points

"Richly fruited and fragrant, the wine shows blackcurrant, cured meat, thyme, and assorted nut aromas on the nose.

It's wonderfully weighted and flavoursome in the mouth, delivering excellent fruit intensity backed by silky texture and bold tannins, finishing robust and persistent. At its best: now

to 2035"

Sam Kim, Wine Orbit

DOMAINE THOMSON

Domaine Thomson was founded by PM and the late David Hall-Jones, and is now guided by their family's ongoing vision. For three generations, they have been committed to crafting Pinot Noir of distinction across two hemispheres. Their vineyards span Central Otago in New Zealand and the famed slopes of Burgundy, France, uniting Southern Hemisphere purity with Old World tradition. These wines are grown in harmony with the land, using organic and biodynamic principles that express both alpine terroirs and historic Burgundian soils.

OUR STORY

Domaine Thomson began in 2000 when David and PM Hall-Jones purchased their block in Central Otago, naming it after David's great-great-grandfather, "Surveyor Thomson," who explored and mapped the region in the 1850s. Inspired by their love of Burgundy, they immediately began planting Pinot Noir with a mixture of Davis and Dijon clones.

THE VINEYARD

At 45° South, the estate sits high above the valley floor with 360-degree views of the Cromwell Basin and Lake Dunstan, framed by the Pisa, Dunstan and St Bathans ranges. The 14-hectare vineyard is planted as four distinct blocks – the North Block, the Terraces, the South Block and the Moon Block – each with its own character. The elevated north-east facing slopes of deep gravel, loess and clay, together with a relatively frost-free mesoclimate, create ideal growing conditions that deliver Pinot Noir with concentration, intensity and finesse.

Under the guidance of Vineyard Manager Simon Gourley, the vines are farmed organically and biodynamically, certified with BioGro since 2014. Much of the work is carried out by hand, including harvesting to preserve fruit integrity. Renowned winemaker Dean Shaw has crafted Domaine Thomson wines since the first release of Surveyor Thomson Pinot Noir in 2003, continuing the vision of terroir-driven Central Otago wines of purity and elegance.

EDMOND THERY

Edmond Thery was a French economist and sparkling wine lover. He decided to spend the majority of his time in wine production (Late 1800's). To ensure the highest quality possible, the cellar has been dug ten meters underground and it became the reference in the region. After the death of Edmond Thery in 1937, his sons and grandsons initiated a toll manufacturing sparkling wines production. During the 80's the company started to experiment emerging technologies of sparkling wines such as the Charmat Method.

BLANC DE BLANC

"The golden yellow colour of this Blanc de Blancs and its delicate bubbles highlight the finesse of its effervescence. Its fruity nose with notes of yellow fruit, peach and apricot, gives way to a pleasant and soft palate; a crowd pleaser & aperitif style."

CHAMPAGNE

FORGET-BRIMONT BRUT PREMIER CRU NV

"A 40/40/20% blend of pinot noir, pinot meunier and chardonnay'. Environmentally-friendly vineyards, 40-50% reserve wines; matured on yeast lees or at least 30 months. A powerful wine on bouquet and palate alike."

• The vineyard mainly covers an area with Premier and Grand Crus villages in the heart of the Montagne de Reims.

SUSTAINABLE VITICULTURE

Forget-Brimont adopted a sustainable viticulture and minimal-intervention method 20 years ago. A non-interventionist winemaking approach has been adopted to allow full expression of the terroirs and varieties. Only the first press (la cuvée) is used and only the best of that pressing is kept, adhering to the commitment to quality and purity.

Blending with a high proportion (40% to 50%) of reserve wines of almost 10 different years in each cuvée, except Vintages, adds depth and complexity. The Champagnes then undergo a lengthy secondary fermentation 15m underground in traditional chalk cellars for between 30 months & 10 years. The wines don't contain additives, aren't fined and are matured on lees in thermoregulated tanks before bottling. After dosage they receive an additional 2 to 6 months bottle age before release.

The winery adheres to the highest standards of oenological methods to create their vision – a range of wines designed to bring together family and friends across generations and create long lasting memories of the good times.

LA TONNELLE

Made from fruit grown on the hillsides of Provence. Made from Grenache (60%), Syrah (25%) and Cinsault (15%) the nose is floral and red fruited. The palate shows red fruit, is well balanced with a medium dry finish.

VILLA AIX

From the appellation Coteaux d'Aix-en-Provence in south western of the region. Grapes are grown in clay and limestone soils producing soft and fruity wines. This wine is a blend of Grenache (60%), Cinsault (35%) and Syrah (5%). The nose is elegant and floral with notes of white peach and stonefruit. The palate is round and supple with nice tension on the finish.

• Views from the vineyard.

1 FAMILY, 1 VILLAGE, 7 GENERATIONS OF WINEGROWERS

Founded in 1836, Gustave Lorentz owns 50 hectares of land on the hillsides of Bergheim in the heart of the Alsace wine region, 12.8 hectares of which are classified Grand Cru Altenberg de Bergheim, and 1.75 hectares Grand Cru Kanzlerberg. In 1995, Georges Lorentz took over the business, conscious of the current and future environmental challenges, decided to create a new working ethos within Maison Gustave Lorentz by converting to organic growing in 2009. All of the wines from their own vineyards have been certified organic since the 2012 vintage.

RIESLING GRAND CRU ALTENBERG DE BERGHEIM

"Our Riesling Grand Cru Altenberg de Bergheim, whatever the vintage, is a complex wine with a full-body and great concentration, set off by crisp, delicate aromatics. There are aromas of citrus fruit and a touch of minerality, the acidity is elegant and well-balanced, and there is a slightly savoury note on the finish. It is an expressive, harmonious wine that encapsulates all our knowledge and experience. It is a wine for laying down, so we release Riesling Grand Cru Altenberg de Bergheim after a minimum of 5 years resting in bottle in our cellars so that our customers can appreciate its full potential"

2024 Due Soon

CÔTES DU RHÔNE

The Dupond family has a long and respected history in the wine industry, with roots in Burgundy and the Rhône Valley. In 1880, Joanny Dupond expanded the family's vineyards from Beaujolais to the Côtes du Rhône by founding the La Renjardière vineyard just north of Châteauneuf-du-Pape. This 309-acre vineyard, previously an oak forest called La Renjarde, was transformed by Joanny, who personally planted each vine. Today, Hervé Dupond oversees La Renjardière, and he has broadened production by building strong partnerships with longtime wine growers and carefully selecting the best plots for quality. The vineyard's unique terroir, rich in sand, clay, limestone, and rounded pebbles, reflects that of Châteauneuf-du-Pape, enhancing the authenticity and reputation of its wines across Europe.

Among the estate's offerings, the La Renjardière Côtes du Rhône Rouge stands out. Lovingly nicknamed "The Red Stripe of Côtes du Rhône" for its distinctive label, this wine has been a favorite since its label design was introduced in 1960 and continues to thrive today.

HISTORY

Full of history and with fine flavour our Héritage du Conseiller pay tribute to the numerous commitments of Paul Bouchard (1814–1898). He represents the 5th generation of the family and offered an international destiny to the House, but also to the entire region and its wines. Known as the Grand Conseiller, Paul was both a politician and a visionary. Mayor, Sub-prefect, Departmental Counsellor of Côte d'Or, he was not only involved in his city and the vines, but played also a major role in the technical and commercial development of Bouchard Aîné & Fils. He founded the Viticultural School of Beaune, whose teaching helped to understand the various diseases of the vine, including Phylloxera. This technical development is also marked by a qualitative approach based on the art of blending, this Paul's conception of quality has remained in the fundamentals of the House.

• Bouchard barrel hall

BRUT DE CHARDONNAY GRANDE CUVÉE

Bouchard Aîné & Fils was once one of the pioneers of sparkling wine production in Burgundy. Some of its emblematic cuvées, served on renowned cruise ships such as the Normandie, helped establish its international reputation as a symbol of French quality and luxury. After more than 50 years dedicated exclusively to still wines, Bouchard Aîné & Fils is honouring this illustrious heritage with a new sparkling wine. The Brut de Chardonnay "Grande Cuvée" is a wine with a distinctive personality that celebrates a significant chapter of the House's history in a beautifully crafted bottle.

This sparkling wine perfectly embodies the House's commitment to showcasing grape varieties, delivering great complexity through its finesse while remaining approachable for all.

Arnaud is hands on all along the way, selecting the origin of the grapes, overseeing the winemaking process, choosing the type of barrels and ageing time for each individual wine. In 2017, Arnaud & Laure took the first step towards having their own estate produced wines acquiring a small vineyard in Côte de Beaune. 2022 saw the completion of their stunning new winemaking facility on the same site. They recently purchased a second vineyard in Meursault. Their philosophy is to respect and promote the complexity of the Burgundy wine region, producing terroir driven wines.

• Arnaud Baillot in the Côte de Beaune vineyard.

• Vineyards with a view in Bourgogne.

PERNAND-VERGELESSES

Sitting at the northern end of the Côte de Beaune and is one of the most picturesque villages in Burgundy. Pleasant aromas of honey and honeysuckle evolve into exotic notes. A wine of character, energy and mineral notes. An intense, fruity and fresh aftertaste.

MEURSAULT

Sitting directly north of Montrachet and producing mostly Chardonnay. The wines show almond, hazelnut, floral and mineral notes. Butter, honey and citrus, rich and fat on the palate they benefit from aging. The best soils of Jurassic marls and marly limestones are found at 260m

BEAUNE

The southern end of the Côte d'Or, named after the historical town and wine centre of Beaune. Predominantly producing Pinot Noir, the wines are known for being a good 'middle-ground' between the rich, masculine style of Pommard to the south and the highly structured wines of Corton to the north.

CHAMBOLLE-MUSIGNY

A beautiful small commune in central Côte de Nuits renowned for making powerful, feminine, refined and very aromatic Pinot Noirs. The vineyards lie on three sides of the village, on the slopes next to and starting at an altitude of 300m. The best vineyards are on the fine, well-drained soils of the mid-slope. The climate in Chambolle-Musigny, as throughout the wider Côte d'Or, is continental. Diurnal temperature variation helps to establish balanced acids and sugars in the wines.

BURGUNDY, FRANCE / EST. 2014

POMMARD

Situated between Volnay to the South and Beaune to the North. Pommard is on a slope, between - 240 and 380 metres, facing east and south-east. The clay-rich calcareous soil gives Pommard some quite unique qualities - a lot of colour (deep red black), and an intense bouquet of blackcurrants, musk and game meat.

VOLNAY

Nestled between Pommard and Meursault in Côte de Beaune, Volnay is renowned for producing long lived, smooth, perfumed, delicate Pinot Noir with a supple structure quite contrasting to its more powerful neighbours. The best vineyards are located in a tight band across the mid slope where the vines benefit from well drained, limestone soils and a southeastern aspect.

GEVREY-CHAMBERTIN

The most northern of the great communes of the Côte de Nuits. There are 26 Premiers Crus and 8 Grands Crus. Arnaud Baillot Gevrey-Chambertin wines are produced from vineyards lying on the extension of the slope on which the Grands and Premiers Crus are situated.

ECHÉZEAUX

A Grand Cru vineyard on the slopes above the village of Flagey-Echézeaux, just north of the famous vineyards of Vosne-Romanée. The upper-mid slopes are generally recognised as being the climat's best patches because of the stonier, thinner soils and good drainage. Made exclusively from Pinot Noir, the wines are on the full-bodied end of the Burgundy spectrum, showing red fruit as well as spice and undergrowth characters.

ARNAUD BAILLOT

Arnaud Baillot produce a spectacular range of Pinot Noir and Chardonnay from some of the best appellations in Burgundy. Their recently completed state of the art winery is located in Beaune, the heart of the Côte d'Or. Owner and winemaker Arnaud is passionate about the diversity of wines the Burgundy region has to offer. He has teamed up with his wife Laure (granddaughter of Alain Noëllat of the famed Domaine Hudelot-Noëllat) to make small parcels of wine originating from select Village, Premier Cru and Grand Cru vineyards.

"Arnaud Baillot - A name to remember!"

- WineHog Steen Ohman

2022 Volnay - 94 points

"What a perfumed beauty this Volnay is! A wealth of wildflower and rooty nuances on the beautifully balanced, barely medium-bodied palate. I don't write this often, but the wine has delicate tannins and there's also good concentration. However, the more important thing is the wonderful elegance at the long, filigree finish. Unfiltered.

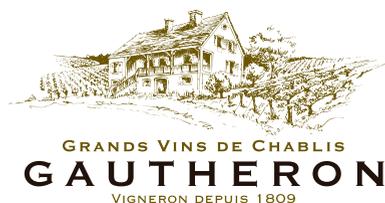

Drink or hold " James Suckling

CHABLIS, BURGUNDY, FRANCE / EST. 1809

Domaine Gautheron is located in the tiny village of Fley, surrounded by Chablis' eastern hills in Northern Burgundy. It covers 28 hectares on some of Chablis' best terroirs. The estate, created in 1809, is family owned and operated and has been for more than seven generations. Today Cyril, supported by father Alain and wife Agnes, is making some of the appellation's finest wines. Gautheron focuses on expression of terroir to make graceful wines which respect the crisp and traditional characteristics of Chablis.

TOP 20 CHABLIS PRODUCERS OF 2023 BY CHRISTY CANTERBURY MW

2023 Chablis Grand Cru Valmur – 94 pts

Exotic and robust, with notes of pain aux raisins, spice toast, and baked nectarine. Complex and appealing now, with growing tension over time.

2023 Chablis Premier Cru Montée de Tonnerre – 94 pts

Poached apple, croissant, and spring blossom. Bright acidity and a layered, creamy core. Structured and built to age.

Chablis Premier Cru Les Fourneaux Vieilles Vignes – 94 pts

Apricot, peach, and slate minerality. Fresh, mid-weight palate with sap and energy. From 70-year-old vines, partially aged in oak.

Cyril's wines can be drunk in their youth or after aging. He likes to balance exotic flavors with crispiness. They are the opposite of an austere Chablis, yet they age incredibly well. The wines are always on the fresh side, with ripe acidity, and that classic Chablis minerality. The appellation of Chablis is nestled in the Northern part of Burgundy between Paris and Dijon. It has a semi-continental climate, characterised by hot summers and cold, harsh winters. The wines are characterised by purity of fruit and lean, steely acidity. Chablis is divided into four categories in order of ascension in quality: Petit Chablis, Chablis, Chablis Premier Cru and Chablis Grand Cru.

FOURNIER
PÈRE & FILS
SANCERRE

Founded in 1926, Domaine Fournier Père et Fils is located in the small wine-growing village of Verdigny, in the heart of the Sancerre appellation. The estate covers 39 hectares across 165 plots, benefiting from some of Sancerre's finest terroirs. Committed to sustainable, organic practices, the winery focuses on preserving the unique qualities of its soils. Fournier Père et Fils blends tradition with innovation to produce renowned wines that capture the essence of French heritage.

www.fournier-pere-fils.com

VINEYARD

The vineyards of Domaine Fournier Père et Fils are evenly distributed across the three distinct terroirs of Sancerre, offering access to a diverse range of soils, slopes, and exposures. Located in a cool-climate region. Domaine Fournier follows organic (non-certified) methods that minimize chemical use. The region benefits from a variety of soils—Silex (flint), Caillottes (chalky limestone rocks), and Terres Blanches (calcareous marl)—as well as the unique microclimates created by its hills and the Loire River that runs along its right side. Starting in Sancerre, Fournier Père et Fils has gradually expanded its vineyards throughout the region, guided by the Burgundian philosophy of focusing on the distinct characteristics each vineyard and soil contributes to the wine. Today, Fournier produces a diverse range of wines, from entry-level offerings to single-vineyard selections, showcasing the remarkable variety of their terroirs.

Une histoire de vigneron depuis 5 siècles

Dominique Piron, a 14th-generation winemaker, began his journey in Morgon with his first harvest in 1971. After fifty years in winemaking, he founded 'Maison Piron' in 1987. In 2020, he sold the company while retaining the family vineyards in Morgon. During his career, he has been a key figure in Beaujolais, serving as president of Inter-Beaujolais and now of the cru Morgon. With Beaujolais in full revival, he came out of retirement to found Domaine du Vieux Bourg in 2021, still on the family vineyards, dedicating one last slice of his life to this beautiful profession as a simple winemaker seeking the 'best' rather than the 'most.'

www.closvieuxbourg.fr/en

VINEYARD & TERROIR

Domaine du Vieux Bourg's 35 hectares of vineyards span five appellations: Beaujolais Blanc, Morgon, Chénas, Régnié, and Beaujolais Rouge. These vineyards benefit from the region's distinctive terroir, characterised by a mix of granite, limestone, and quartz soils. The varied topography, along with the vineyards' exposure to sun and cooling breezes, creates optimal conditions for growing Gamay. The estate's high-altitude vineyards contribute to a slower grape ripening process, allowing the wines to develop complex flavours and aromas that are reflective of the Beaujolais' natural environment. Certified for High Environmental Value (HEV) since 2020, the estate emphasises sustainable practices, ensuring that its viticulture is in harmony with nature, protecting biodiversity and reducing environmental impact.

• Dominique Piron 14th generation winemaker.

● 2022 Morgon 'Côte du Py' AOP	44.93	42 pk	Sold Out - New Vintage Due March 26

WINEMAKING PHILOSOPHY

At Domaine du Vieux Bourg, winemaking is guided by a philosophy of minimal intervention. Dominique believes in letting nature shape the wines, focusing on showcasing the distinct qualities of each appellation. The estate's Morgon Cinq Terres is crafted from five different hamlets, each contributing unique characteristics to the wine, resulting in a powerful, spicy profile with notes of cherry and morello. Every wine at Domaine du Vieux Bourg reflects its terroir, with the goal of creating wines that are expressive, balanced, and true to the heritage of Beaujolais.

CÔTE DU PY

Côte du Py is the heart of the Morgon appellation and the benchmark for all Beaujolais terroirs. This small hill, with volcanic origins and ancient blue stone rocks, boasts the oldest soils in the region. Known for producing long-lived wines with strong structure and rich, fleshy flavors, Côte du Py offers powerful and spicy wines with enticing black cherry aromas, making it renowned for centuries as the best terroir in the village.

LANGHE

In the Langhe area Pico Maccario runs Nebbiolo vineyards in the comune of Neive, Serralunga d'Alba and Barolo, this last one with the prestigious Cannubi single vineyard, well-known and recognized as the oldest of Italy (1752) as well one of the most important in the world. The terroirs of the Langhe area, where Barolo and Barbaresco are produced, are very old: they date back to the geological epoch of Miocene. Featured by compact soils and fine texture, they add elegance and a unique evolution over time to the wines.

MONFERRATO

In Monferrato, Pico Maccario owns the majority of the hundred hectares among Barbera, Viognier, Cortese, Sauvignon Blanc, and Moscato d'Asti varieties. Thanks to clayey and medium-texture soil, Pico Maccario wines are balanced and feature a modern, versatile style, but respecting the natural characteristics of the grapes and vines. All around the single vineyard estate, over five thousand rose plants and one thousand colored pencil poles bring joy and identify the history and the mood of Pico Maccario with total respect to the traditions.

Starting in the early 1980s, Ugo Lequio released his first bottles of wine following rigorous fruit selection from the six hectare Cascina Nuova vineyard. This historic property is located on the sun-drenched Gallina Hill that was once part of the Neive Conti Riccardi Candiani patrimony and now belongs to the Marcarino family. The Gallina Hill is one of the most interesting terroirs in Piedmont with the soil and micro-climate both extraordinary for cultivation of the vine, in particular Nebbiolo and Barbera, with vine plantings dating back to the 1950's, 60's and 70's.

www.ugolequio.it

SINGLE VINEYARD

Old vines, south facing slopes and extremely low yields coupled with traditional wine making techniques produce elegant wines fit for aging. Ugo's personal conviction is that class and elegance are tangible in a great wine only if that wine is given sufficient time, in a stress-free atmosphere, to evolve. For this reason, Ugo insists on giving his wines a long and deserved rest before they are released.

Thanks to experience and experimentation in both the vineyard and the winery, Ugo has emerged as one of the protagonists of the revolutionary shift that prizes quality wine over quantity.

Situated in the heart of Tuscany, Poggiotondo began in 1968 when passionate agriculturalist Carlo Antonini, bought a property historically owned by ancient noble family Conti Guidi. His passion was passed on to his son Alberto, who together with wife Alessandra, now run the family winery. Certified organic since 2014, the Antonini family aim to valorize the territory in respect of the Tuscan wine growing tradition. The families vineyards are located in the picturesque hills East of Florence, some 40km from the Ligurian Sea.

Travelling extensively as a wine consultant, Alberto has reverted to traditional techniques on home soil. He ferments in concrete tanks to encourage better microbial activity and only uses old oak casks which, like vines, get better with age. Wines are fermented with wild yeast that occur naturally in the vineyard. This farming method encourages the vines to develop their own antibodies, giving us healthier vines, better fruit quality, more character and longevity of the vineyards. Alberto champions wines with "energy, purity, vitality and minerality" and believes native varieties coupled with organic practices and sympathetic winemaking provide the right ingredients.

ORGANIC Poggiotondo is immersed in an ancient farming landscape with lots of biodiversity: vineyards, olive trees, figs tree, old fruit plants, very ancient oak trees, cypress, bushes of raspberries and blackberries and gorse for an exceptional natural beauty. The focus in the vineyards is on native grape varieties; Sangiovese, Canaiolo, Colorino and Trebbiano, as per the original "Chianti Recipe".

TUSCANY Situated in the heart of Tuscany, between Florence and Pisa, Poggiotondo's wines are a pure expression of the Chianti region. Following the principles of organic agriculture, grow their vineyards in a natural and balanced environment. The goal is making wines with a strong sense of place, wines that become a symbol of a respected and given territory.

Mastroberardino is one of the leading wine families in Italy in terms of production, market impact and innovation. With winemaking history dating back to the mid 1700's, they are largely responsible for the revival of Irpinian and Campanian winemaking after WW2 and the resurgence of would-be extinct native varieties Fiano, Greco di Tufo & Aglianico. Campania is a DOC located in southwest Italy taking in the gulf of Naples and Amalfi Coast. The climate in Campania is Mediterranean towards the coast and continental inland. Abundant sunshine and volcanic soils in the hills make it ideal for viticulture.

	\$ LUC	PACK	NOTES
v ● 2020 Lacrimarosa Irpinia Rosato DOC (Aglianico)	22.83	6 pk	
v ● 2018 Radici Taurasi DOCG	67.34	6 pk	<i>Aglianico</i>

AGLIANICO

The late ripening Aglianico, arguably the most exceptional variety grown in Irpinia, produces a rustic, earth driven, full bodied red with distinctive savory flavours of leather, white pepper, black fruits and cured meats. It has high tannins, high acidity and an aging potential of 20+ years. The most famous Aglianico is from Taurasi DOCG, grown in the volcanic hills of Avellino directly inland from Naples. Mastroberardino is undeniably the standout Aglianico producer making some of Italy's longest lived wines.

• The vines of Aglianico in the estate of Mirabella Eclano

RADICI TAURASI

Obtained by the union of precious selections of Aglianico grapes from the estates of Montemarano and Mirabella Eclano, the symbol product of classical viticulture signed Mastroberardino. Montemarano, with its 16 hectares, is a historic site in the production of Taurasi, located in the further south and higher area of the DOCG, from 500 to 650 metres above sea level.

Here the marked temperature ranges and the slower trend of maturation set the conditions for a late harvest, usually in November, resulting in grapes richer in noble tannins and acidity, able to enhance the longevity characters. Mirabella Eclano, with more than 65 hectares and with an altitude ranging from 350 to 450 meters ASL, is the core of production, research and experimentation on Aglianico, which is the main grape variety grown in this estate.

Founded by Massimo Gianolli and Stefano Falla, La Collina dei Ciliegi sits on the hills of Valpantena, in the pristine area of Valpolicella. The vineyard, nearly 700 meters above sea level, was named "The Hill of Cherry Trees" for the cherry trees that once surrounded it. Committed to sustainable methods, the winery combines family traditions with modern techniques to create exceptional wines.

TRADITION

La Collina dei Ciliegi was founded on a promise by Massimo Gianolli to honor the Valpantena region and the village of Erbin, where his father Armando was warmly welcomed. Inspired by this legacy, Massimo aims to craft wines that reflect the area's rich heritage and natural beauty. Situated in the pre-Alpine Valpantena Valley, the vineyards benefit from unique soils and climate. This approach recognizes that great wine requires time, respect for natural cycles, and an appreciation for craftsmanship. They are committed to producing wines that are restrained, pure and honor regional traditions while setting a new standard for excellence.

• Massimo Gianolli in the vineyards

VALPANTENA

The roots of La Collina dei Ciliegi lie in the heart of Valpantena, specifically in Erbin, a quaint village of Cimbrian origin nestled among rolling hills. This picturesque region is surrounded by vineyards, cherry trees, meadows, and magnificent woods.

The Valpantena Valley, with its pre-Alpine alluvial origins, boasts calcareous-clayey soils. During summer, the area is cooled by refreshing air currents from the Dolomites, leading to significant temperature fluctuations, especially at higher altitudes.

In their vineyards, the highest in the entire Valpantena, grape ripening is delayed by up to a month compared to the valley bottom, aiding the development of unique aromas and fragrances.

ARTISAN WINES

"Tending a vineyard and making wine is an act of love and passion. The locations I have chosen for this labour of love differ in terms of their soil, climatic conditions and winemaking history but share a very similar potential for quality, a capacity to produce great wines with strong personalities that can inspire unique emotions.

I committed myself to making artisan wines that deliver a powerful expression of their terroir because I see it as a duty and an act of respect towards the wine's intended customers. My desire is to see wine from different perspectives, which is why I want to produce wines in the most authentic way possible, with minimal winemaking interventions and maximum respect for the environment and the terroir." *Emiliano Falsini*

ETNA

At Contrada Feudo Pignatone on the northern slope of Europe's highest volcano, Emiliano found the perfect place to make wines that speak to the soul, wines with an unmistakable character that produce a sensual, almost ephemeral experience.

• Emiliano's vineyard nestled in the foothills of Mt Etna

TUSCAN COAST

In the municipality of Castagneto Carducci on the Tuscan Coast, Cabernet Franc produces wines of natural harmony and absolute quality, Mediterranean wines in form and substance that perfectly encapsulate the grace and harmony of Tuscan beauty. Wines imbued with new intelligence in an ancient landscape.
