

RICCA TERRA

2020 MONTEPULCIANO

---VARIETAL---

Montepulciano is a red wine grape variety originating from Italy.

---REGION---

Riverland

---THE STORY---

Montepulciano is the number one grape variety when it comes to robustness. It is literally bulletproof! The warm climatic conditions of our vineyards allow for a long ripening period and the development of flavoursome and rich wines. A distinctive trait is its caviar appearance in picking bins when harvested.

---TECHNICAL STUFF---

Viticulture: Montepulciano is a hardy grape variety that is resistant to heat and drought.

Winemaking: Fermented in old French oak using natural yeast, this wine is rich in colour, flavour and life.

Soil type: red loam over limestone
